For all your
storage needs.

BLAXLAND - SPRINGWOOD

Is your school having a fete?

To help you with your event we can:

- Provide you with a **free** storage unit for up to 8 weeks prior to your event;
- Give you a padlock to secure your unit; and
- Offer you our truck and driver on the afternoon before or morning of your event to transport the goods back to your school.

To arrange your **free** storage you need to:

- ① **Make a booking**
Call Megan Thomas at Self Storage Plus on 02 4739 1607 or via email to megan@selfstorageplus.com.au to discuss your requirements and book your storage unit and transport.
- ② **Do the paperwork**
Come into one of our facilities to complete your Storage Agreement, collect your padlock and be given the PIN, which will enable you to access the facility.
- ③ **Start collecting and storing your goods**
- ④ **Promote and advertise**
Promote Self Storage Plus in your advertising communications. We will provide you with our logos and text for both print and electronic media.
- ⑤ **On the day**
On the day of the event load the goods into our truck. We will then drive the truck to your school where you can unload it.

A FEW TIPS

- In your newsletters advise parents when a member of your committee will be at the storage facility to receive donations of goods. This will prevent 'double-handling' of goods being dropped off at school and then having to be brought to the storage unit.
 - As the big day approaches increase the frequency with which goods can be received.
-
